

Demo Report

Demo Report - 2020-11-01

- Create custom localized reports
- They are 100% customizable in terms of style, layout and content
- You can export them as:
 - Excel
 - PDF
 - Print
 - PowerPoint
 - CSV
 - Word

Ideas for helpers

- Reports (e.g. sales, finance, marketing)
- Mailing generator based on pre-defined layouts
- Document generator based on pre-defined layouts
- Calculators (e.g. margin and price calculators)

Data Source

- You can provide data for the helpers in many different ways
 - Manual user input
 - File upload (e.g. excel, csv)
 - Database upload (e.g. sqlite)
 - Database connection to local or remote database
 - External APIs
 - Internal APIs (everything from the Orange Management backend)

Thank you!
